4. An Alternate Member shall likewise be ineligible to vote if the appointing member's dues are delinquent.
5. Any dues payments or request for a waiver of dues shall be recorded by the Controller or Chair twenty-four (24) hours before the beginning of each Central Committee meeting and transmitted to the Secretary for the purpose of updating the roster, but dues payments made after that time shall not confer good standing until the next monthly Central Committee meeting.

SECTION 3. FINANCIAL HARDSHIP

1. The Chair or Controller may waive, reduce, or stagger payment of dues for any member claiming financial

hardship.

2. No member shall be denied participation based on their ability to pay.

SECTION 4. DUES PAYABLE DURING LAST QUARTER OF YEAR

Any member assuming office after September 30 shall pay annual dues in half the amount listed in Section 1 for the remainder of that calendar year.

SECTION 5. PAYMENT OF DELINQUENT DUES

ADDENDUM III: STANDING RULE – RESOLUTIONS POLICY

2. Resolutions may be presented for passage at any Resolutions & Platform Committee meeting (Timely Resolutions – Section 3), Executive Board meeting (Late Resolutions – Section 6), or on the floor of the Central Committee (Floor Resolutions – Section 8).
3. All resolutions presented to the Resolutions & Platform Committee for passage must be sponsored by at least one (1) member of the Central Committee or one (1) Democratic Club chartered by the DPSC.
4. If a resolution is sponsored by multiple DPSC members, a list of the sponsors should appear at the bottom of the text of the resolution.

SECTION 2. FORM OF RESOLUTIONS

1. Resolutions must be statements of principles or positions.
2. No resolution considered by the Resolutions & Platform Committee shall:
 - a. Call for a change in the DPSC Constitution & Bylaws; nor
 - b. State the endorsement of or support for a candidate for public office; nor
 - c. Mandate the spending of money by the DPSC.

SECTION 3. TIMELY RESOLUTIONS

1. For a resolution to be considered timely it must be received by the Resolutions & Platform Committee Chair before or at a regularly scheduled Resolutions & Platform Committee meeting.
2. Timely resolutions will be considered by the Resolutions & Platform Committee, which may submit the resolution to the Executive Board, which may agendaize it for consideration by the Central Committee.
3. After consideration, amendment, and deliberation, timely resolutions require a simple majority vote to proceed from the Resolutions & Platform Committee to the Executive Board, and a simple majority vote to proceed from Executive Board to the Central Committee.

SECTION 4. ACTIONS THAT MAY BE TAKEN BY THE RESOLUTIONS & PLATFORM COMMITTEE

Once a resolution is submitted to the Resolutions & Platform Committee, it becomes the “property” of the Resolutions & Platform Committee, and the Resolutions & Platform Committee shall have authority to take any of the following actions:

1. Amend or rewrite the resolution;
2. Merge the resolution with another resolution;
3. Postpone consideration of the resolution to another meeting of the Resolutions & Platform Committee;

9. If the Resolutions & Platform Committee amends a resolution submitted to it, a sponsor may unilaterally remove themselves from the resolution at any time.

SECTION 5. RESOLUTIONS DETERMINED TO BE REAFFIRMATIONS

The Resolutions & Platform Committee may declare that a newly submitted resolution is a reaffirmation of a previously passed resolution if the principle stated in the new resolution is substantially the same as that of a previous resolution. If a resolution is determined to be a reaffirmation, it will simply be adopted as such by the Resolutions & Platform Committee, and will not be sent to the floor of the Central Committee for a re-vote.

SECTION 6. LATE RESOLUTIONS

1. A Resolution shall be considered 'late' if it is received by the Resolutions & Platform Committee Chair after a regularly scheduled Resolutions & Platform Committee meeting but before the next Executive Board meeting.
2. Late resolutions require:
 - a. An explanation by the author of why the resolution should be considered urgent, outside of the committee 88 process; and
 - b. A two-thirds ($\frac{2}{3}$ ^{rds}) majority vote by the Executive Board to be added to the Central Committee agenda.
3. Once a late resolution has been placed on the Central Committee agenda by the Executive Board, it shall be treated in the same way as if it had been submitted as a timely resolution.

SECTION 7. NOTICE TO LOCAL ELECTED OFFICIALS

1. A timely or late resolution that takes a position of opposition to specific legislation authored by a Democratic elected official whose district includes Sacramento County, or that specifically names such an elected official, may not be considered by the Central Committee unless the official is given at least five (5) days' notice prior to the Central Committee meeting and given an opportunity to present on the resolution at the meeting.
2. A resolution violating the notice provision of this section shall be ruled out of order and referred back to the Resolutions & Platform Committee for further consideration.
3. The Central Committee may suspend the notice provision of this section by a two-thirds ($\frac{2}{3}$ ^{rds}) vote.

SECTION 8. FLOOR RESOLUTIONS

1. The sponsor of a timely or late resolution that was defeated, tabled, postponed, referred, amended, rewritten, merged, substituted, or not agendized shall have the right to gather signatures to directly present the resolution from the floor of the Central Committee according to the procedures described in this section.
2. To bring a non-agendized resolution to the floor of the Central Committee, the sponsor of the resolution must obtain the signatures of at least ten (10) DPSC voting Central Committee members stating their support to bring the resolution to the floor of the Central Committee.
3. The sponsor of the resolution must, prior to the beginning of the Central Committee meeting at which the resolution is to be brought to the floor, provide the Secretary with fifty (50) printed copies and an electronic copy of the resolution.
4. Floor resolutions require an explanation by the author to the Central Committee of why the resolution should be considered urgent, outside of the committee process.
5. Once the prior requirements of this section are met, a Floor Resolution shall require a simple majority vote of the Central Committee to be added to the meeting's agenda, and a two-thirds ($\frac{2}{3}$ ^{rds}) vote of the Central Committee for passage.

SECTION 9. PROPOSED ACTIONS

1. In submitting a resolution, the primary sponsor shall state what proposed action they propose the DPSC take after adoption of the submitted resolution. If the proposed action is a position letter or social media post, a draft must be submitted by the sponsor to the Communications Director after the resolution is adopted.
2. The DPSC is not obligated to undertake the requested action, but the Chair and Executive Board retain full discretion to determine how the DPSC will communicate its position.

SECTION 10. UPDATING ADOPTED POSITIONS

1. The Chair or Executive Board may, with the consent of a resolution's primary sponsor, update the DPSC's position on legislation due to changed circumstances in order to further the purpose and intent of the Central Committee in adopting the resolution.
2. "Changed circumstances" include, but are not limited to, amendments to the legislation that render the DPSC's adopted position inconsistent with the adopted resolution's intent.
3. The Chair shall notify the Executive Board of any changes to adopted positions undertaken pursuant to this section.

ADDENDUM VI: STANDING RULE – ENDORSEMENT POLICY

SECTION 1. SCOPE OF POLICY

This policy applies to endorsements for candidate contests for public office and ballot measure contests. Permitted intra-party endorsements, such as for offices within the California Democratic Party, are not subject to this policy..

SECTION 2. NEUTRALITY PRIOR TO ENDORSEMENT

1. Prior to an endorsement, the DPSC may not favor or disfavor a Democratic candidate over another in an official action, including the conduct of the endorsement process, in the provision of services, or in access to DPSC resources.¹
2. The DPSC may provide all Democratic candidates access to DPSC resources on equal terms until an endorsement is made. Chartered clubs may use the office for the support of the club's endorsed Democratic candidates prior to the Democratic Party's official endorsement in the race.

¹ The DPSC may continue to work with Democratic officeholders and non-officeholder Democratic candidates in their capacity as individuals, officeholders, or leaders in other organizations on issue campaigns without violating the neutrality principle.

SECTION 3. TIMING OF ENDORSEMENT PROCESS

1. The earliest the DPSC may endorse a candidate is the month before the nomination period opens.²
2. The Executive Board may, on the recommendation of the Campaign Services Committee, waive the time limit imposed by this section if the Executive Board determines that a particular contest meets both of the following conditions:
 - a. The contest is a targeted seat;
 - b. An early endorsement would increase the likelihood that an endorsed Democrat would win the contest.
3. For purposes of this section, “targeted seat” means a contest in which the incumbent is a non-Democrat (i.e., a “red-to-blue” seat), or in which the incumbent is a Democrat but the seat is vulnerable to being lost to a non-Democrat (i.e., a vulnerable “toss up” seat).

SECTION 4. INITIATION OF ENDORSEMENT PROCESS

1. The Executive Board shall, on the recommendation of the Campaign Services Committee, determine which contests to consider for purposes of endorsement and under what timeline.
2. The Campaign Services Director shall facilitate the publicization on the DPSC website and social media platforms the DPSC’s intent to conduct the endorsement process at least two weeks prior to the deadline to return a completed questionnaire and invite eligible candidates to participate.

SECTION 5. CONTACTING ELIGIBLE CANDIDATES - SAFE HARBOR

1. The Campaign Services Director shall undertake a good-faith effort to contact candidates and invite them to participate in the endorsement process.
2. The following persons are considered candidates:
 - a. A person who pulls or files nomination papers with the applicable elections official for the contest;
 - b. A person who has filed a Candidate Intention Statement (Form 501) for the contest with the applicable elections official;
 - c. A person who informs the Campaign Services Director that the person is or intends to be a candidate in the contest.
3. If the Campaign Services Director is unable to find a candidate’s contact information after a reasonable search, the requirement of “good-faith effort to contact” has been satisfied.

SECTION 6. QUESTIONNAIRE & INTERVIEW

² This generally means the fifth month before the election. For example, October 2019 would be the earliest month for the March 2020 election, and June 2020 for the November 2020 election.

1. In order to be eligible for endorsement consideration, a candidate must submit a completed candidate questionnaire.
2. The Campaign Services Committee shall develop and approve the questionnaire, subject to the Executive Board's review and final approval. Office-specific questionnaires may be used for different offices, but no particular candidate is obligated to respond to more than one questionnaire.
3. The Campaign Services Committee, subject to the Executive Board's review and final approval, shall determine whether interviews will be conducted for a particular contest. If a candidate interview is conducted, each candidate in the contest who submitted a completed questionnaire will be invited to interview. Only candidates who participate in the interview are eligible for endorsement consideration. Candidates are permitted to interview by telephone or webcast, if permitted by the Campaign Services Director.
4. Interviews shall be conducted by interview panel under the following rules:
 - a. Only DPSC members may serve on an interview panel.
 - b. The Campaign Services Director shall select the membership of the panel and shall ensure that the panel is composed of a diverse cross-section of the Democratic Party.
 - c. An interview panel shall be composed of at least three members.
 - d. The panel shall be chaired by a person appointed by the Campaign Services Director, and the chairperson shall have the duty to write up the panel's report or ensure that the report is written up by another panel member. The panel shall ask all candidates the same standard questions but may ask additional follow-up questions and clarifying questions specific to a particular candidate.
 - e. Only panel members who participated in the interview of all eligible candidates under consideration may vote on the panel's recommendation.
 - f. If the total number of eligible panel members falls below three at any time during the process, the Campaign Services Committee may vacate their recommendation.
5. Upon the conclusion of the interview process, the panel may make any of the following recommendations:
 - a. Endorsement of no more candidates than there are seats to be filled;
 - b. Neutral (i.e., not favoring or disfavoring any candidate in the race);
 - c. No endorsement (i.e., rejection of all candidates); or
 - d. No recommendation (i.e., let the membership vote without a recommendation).
6. The Campaign Services Director shall deliver the interview panel's report to the Executive Board, including the panel's recommendation and reasons. The Executive Board may, in its discretion, accept the recommendation of the panel, or reject the recommendation of the panel and give a different recommendation to the membership. For races where no interview was conducted, there is no panel recommendation, and the Executive Board may make an endorsement recommendation in its discretion.

SECTION 7. CONFLICT OF INTEREST

1. A DPSC member may not serve on an interview panel if the member has a disqualifying conflict of interest.
2. A member has a disqualifying conflict of interest if they:
 - a. Are a candidate for the public office under consideration;
 - b. Are the incumbent officeholder or serve on the elected body of the public office under consideration, or have served with one of the candidates on an elected body;
 - c. Are or have been campaign staff or a campaign volunteer for a candidate during the course of the current campaign;
 - d. Are or have been employed, with or without compensation,³ by a candidate during the past five years, or is currently employed by the public agency that the candidate would govern;
 - e. Are an appointee of a candidate to any board, commission, committee or other office.
 - f. Have made a financial contribution to a candidate, whether monetary or nonmonetary, regardless of whether the contribution was below a reporting threshold; or
 - g. Have publicly avowed a preference for a candidate, whether support or opposition, including on social media platforms.
3. The Campaign Services Director may disqualify a member from serving on an interview panel who is not disqualified by Subsection B if the Campaign Services Director determines that the member has an actual or apparent conflict of interest that could reasonably be expected to bring the integrity of the endorsement process into question.

SECTION 8. ADVANCEMENT TO GENERAL ELECTION OR SPECIAL ELECTION RUNOFF

If a candidate endorsed by the DPSC for a primary election advances to the general election or special election runoff, the candidate continues to be endorsed by the DPSC. If a candidate endorsed by the DPSC for a primary election fails to advance, the DPSC may take up an endorsement for the race any time after the primary election.

SECTION 9. CONTRIBUTIONS

1. The DPSC may only make a monetary contribution to a candidate endorsed by the DPSC or to a candidate who is otherwise the officially endorsed candidate of the Democratic Party.
2. The Campaign Expenditures Committee is composed of the Chair, Vice Chair, Campaign Services Director, and two members appointed by the Executive Board who have a demonstrated understanding of campaign finance law.

³ For example, as an intern, extern, or fellow.

3. The Campaign Expenditures Committee has the exclusive authority to make monetary contributions.
4. The Campaign Expenditures Committee shall meet subject to the call of the Chair, and may transact business in-person or by teleconference, text message, email, or other interactive means.
5. The actions of the Campaign Expenditures Committee, (including action taken, expenditures authorized, candidates or ballot measures affected, and votes) shall be reported at, and entered in the minutes of, the next Executive Board meeting. The proceedings and actions of the Campaign Expenditures Committee may be kept secret if the Chair determines that secrecy is necessary to protect confidential campaign strategy.
6. After an endorsement is made, the Campaign Services Committee may recommend to the Executive Board and Campaign Expenditures Committee how the DPSC should support its endorsed candidates and ballot measures. This can include monetary contributions, as well as how to provide campaign services such as canvassing, phonebanking, textbanking, digital media, etc.
7. A monetary contribution must be made no earlier than the date on which the candidate is endorsed and no later than the date of the election for which the candidate was endorsed, or as otherwise provided in Sections 11 and 12. A contribution must be made to the candidate's campaign committee associated with the office and election year for which the candidate was endorsed.

SECTION 10. POST-ELECTION MONETARY CONTRIBUTIONS

1. The DPSC may not make a monetary contribution to an endorsed candidate after the final date of the election for which the candidate was endorsed,⁴ unless made for the purpose of paying down debt and made no later than the last day of the month following the month of the election.⁵ The DPSC may make a post-election monetary contribution to a non-endorsed Democratic candidate if the candidate unsuccessfully sought the endorsement of the DPSC and won their election.
2. A post-election monetary contribution made to an endorsed candidate for the purpose of paying down debt may only be made to the candidate committee of the endorsed candidate for the office and election cycle for which the candidate was endorsed. The Campaign Services Director or Chair shall require that an endorsed candidate requesting a post-election debt payment monetary contribution produce documentation to support their claim of outstanding debt.
3. "Unsuccessfully sought the endorsement of the DPSC" means that the candidate was eligible to be considered for endorsement by the DPSC Central Committee (i.e., the candidate submitted a questionnaire, and participated in an interview if an interview was required) but did not win the endorsement due to either: another Democratic candidate winning the endorsement, the DPSC adopting a "Neutral" position, or the Central Committee failing to take action. This does not include the adoption of a "No Endorsement" position.

⁴ For a primary election that advances to a general election, the "final date of the election" is the date of the general election. E.g., If the contest for Sacramento Mayor held on March 3, 2020 advances to the general election, the final date is November 3, 2020.

⁵ For example, for an election March 2020, the final date is April 30, 2020, and for November 3, 2020, the final date is December 31, 2020.

SECTION 11. EXPENDITURES RELATING TO POST-ELECTION CHALLENGES

The DPSC may make post-election expenditures, including monetary and nonmonetary contributions, for the purpose of assisting endorsed candidates in combating post-election challenges to the canvass of the vote or other conditions of voting.

SECTION 12. BALLOT MEASURE ENDORSEMENTS

1. The DPSC may not endorse a position on a ballot measure until the measure has qualified for a specific election date and been identified by the Registrar of Voters by letter (e.g., Measure A). The DPSC may support or oppose the qualification of a ballot measure prior to the adoption of a formal endorsement position on the qualified ballot measure.
2. The Executive Board may waive the requirement by a two-thirds ($\frac{2}{3}$ rds) vote for a measure that has qualified for the ballot but not yet been identified by letter or not given a specific election date.
3. The Campaign Services Committee shall undertake a good faith effort to contact proponents and opponents, official and unofficial, of each ballot measure and invite them to interview or respond to written questions. The Campaign Services Committee or interview panel shall make recommendations to the Executive Board of one of the following positions on a ballot measure:
 - a. Support (i.e., “Vote Yes”);
 - b. Oppose (i.e., “Vote No”);
 - c. Neutral (i.e., the Party should not take a position); or
 - d. No recommendation (i.e., let the membership vote without any recommendation).

SECTION 13. RECALL ELECTIONS

1. A recall election is two separate election contests. The first contest is the recall question, and the second contest is the election of a successor.
 - a. The recall question (i.e., whether the incumbent should be removed from office) is treated as a ballot measure endorsement under Section 12.
 - i. If the incumbent facing recall is a Democrat, the Executive Board shall contact the incumbent and provide them an opportunity to be interviewed prior to the making of an endorsement recommendation.
 - b. The election of a successor to the office if the recall question prevails is treated as a candidate contest endorsement in the regular manner provided for in this policy.
2. If a Democratic incumbent is subject to a recall election, the DPSC will automatically oppose the recall, unless the DPSC adopts a position of support or neutral as specified in Section 16.

3. If a non-Democratic incumbent is subject to a recall election, the DPSC may support the recall or take a neutral position. The DPSC may not endorse a position of opposition to the recall of a non-Democratic incumbent.
4. Regardless of the DPSC's position on the recall question, the DPSC may endorse a candidate to succeed to the office in case the recall question prevails.

SECTION 14. JUDICIAL ENDORSEMENTS

1. The DPSC may endorse candidates for judge of the Sacramento County Superior Court, but only after the final close of filing and if the judicial contest is contested by at least two candidates.
2. The endorsement process for judicial candidates is the same as for other candidate contests. The Campaign Services Committee may, subject to the Executive Board's review and final approval, alter the endorsement process for judicial candidates to ensure that the impartiality of the judicial election process is maintained.

SECTION 15. MULTICOUNTY ENDORSEMENTS

1. A local public office that extends into another county is a "multicounty office" for purposes of this section. The Campaign Services Director shall determine which offices are multicounty offices.
2. The Campaign Services Committee, subject to the Executive Board's review and final approval, may defer the endorsement of a multicounty seat to another county that has a larger percentage of the population of registered Democrats in that jurisdiction than Sacramento County. In such a case, when the DPSC is informed of the other county's endorsement action, the Campaign Services Committee shall consider whether to recommend adoption of the other county's endorsement action to the Executive Board, without conducting a separate DPSC endorsement process.
3. If the Executive Board rejects the other county's endorsement decision then the DPSC may proceed with an endorsement in the race following the regular endorsement process specified in this policy.
4. The Chair and Campaign Services Director are authorized to engage and negotiate with other counties on which multicounty seats will be considered under the primary jurisdiction of other counties and which will be under the jurisdiction of the DPSC.

SECTION 16. MISCELLANEOUS

1. Prior to the Central Committee's consideration of an endorsement recommendation, the Campaign Services Director shall publicize the recommendation and candidate questionnaires to the voting membership at least seven days before the meeting.
2. During the endorsement meeting, the Chair shall present the recommendations as a consent calendar. If a recommendation is pulled from consent the Campaign Services Director may present the recommendation, the eligible candidates shall be permitted to speak, and members shall be permitted to debate with equal time given to members speaking for each candidate.

3. Upon the conclusion of an endorsement recommendation, the Campaign Services Committee shall recommend to the Executive Board and Campaign Expenditures Committee how the DPSC should support the endorsed candidate or ballot measure and may draft a proposed campaign support plan. The Executive Board shall consider the committee's recommendations.

ADDENDUM V: STANDING RULE – CODE OF CONDUCT

SECTION 1. CODE OF CONDUCT GENERALLY

1. The Democratic Party of Sacramento County is committed to providing an environment that is free of harassment and retaliation with respect to any member of the Central Committee.
2. This Code of Conduct seeks to ensure a setting where members are free from racial, age, disability, ethnic, gender, or personal harassment; where everyone is treated with dignity and respect; and where there is zero tolerance for retaliation.
3. Actions fitting the definitions described in this Code of Conduct may subject members to the DPSC's Disciplinary Procedure as described in Article V.

SECTION 2. DEFINITIONS OF HARASSMENT

SECTION 4. DEFINITION OF RETALIATION

1. Retaliation is an extreme form of bullying which goes beyond personal harassment and attempts to severely negatively impact a person's life outside of the Party.
2. Examples of retaliation include, but are not limited to:
 - a. Threatening the livelihood of a member in order to alter their future voting behavior in the Central Committee; and
 - b. Conspiring to have a member terminated from their occupation based on their votes in the Central Committee.

SECTION 5. DEFINITION OF UNBECOMING CONDUCT

1. Examples of unbecoming conduct include, but are not limited to:
 - a. Violation of the law or of the Bylaws of the Party;
 - b. Disruption of the Central Committee, a Standing Committee, or Party event; and
 - c. Any other act, omission, or condition deemed to be good cause by the Executive Board.

SECTION 6. SEVERITY & LIMITATIONS

1. The DPSC shall consider the severity of the offense when considering whether a member has violated the Code of Conduct or what corrective action should be taken to address a complaint.
2. The DPSC shall weight retaliation and actions that are illegal more severely than actions that are only hurtful or against this Code.
3. Nothing in this Code of Conduct shall be abused so as to punish or remove members for their personal opinions, votes, or freedom of association, nor to settle personal affairs between two members if there is no relevance of a complaint to the meetings, events, functioning, or reputation of the DPSC.

ADDENDUM VI: STANDING RULE – RULES OF ORDER FOR ELECTRONIC MEETINGS

SECTION 1. RULES OF ORDER DURING PUBLIC EMERGENCIES THAT PREVENT IN-PERSON MEETINGS

1. The Central Committee may hold electronic meetings open to all voting members as a method of meeting and decision-making during the duration of public emergencies as declared by federal, state, or local authorities that prevent in-person meetings, as determined by the Executive Board or petition of the membership. The adoption of these Emergency Rules of Order outside of a regular (non-electronic) meeting shall be subject to all requirements set forth herein in order to be valid.
2. The Central Committee may call electronic meetings (via teleconference or video-call) in the same manner as prescribed under the bylaws, which shall be open to participation to all voting members and accessible to any registered Democrat in Sacramento County, in order to conduct business. For any electronic meeting, the convener shall designate the medium in which the electronic meeting will be conducted, and shall designate at least two methods for receiving any motions made, at least one of which shall not require internet access.
3. Votes may be conducted during electronic meetings:
 - a. Each voting member shall have the right to make any motions that they would otherwise have the right to make during an in-person meeting, or the Central Committee may refer the motion to a relevant Committee.
 - b. Every voting member shall have the right to make a privileged motion that the body adopt reasonable alterations to the method of voting proposed by the convener.
 - c. The Central Committee shall conduct any non-ballot vote by roll call upon the request of at least ten (10) of the voting members present or one-fourth (1/4th) of the voting members present, whichever is fewer.
 - d. Unanimous consent shall be granted only after un-muting all voting members and providing at least ten seconds for them to object.
 - e. Before adopting any kind of consent calendar, all voting members shall be un-muted and provided at least ten seconds to request that items be pulled from that consent calendar.
 - f. Objecting to unanimous consent and pulling items from a consent calendar shall be subject to the same conditions required for receiving motions described in subsection D of section 2.
4. Proper notice of electronic meetings shall be achieved when, in addition to any other requirements for notice, the means to participate in any votes, and the time of a vote and of the closing of balloting has been delivered to every voting member via electronic means and posted electronically. Electronic means of notice shall require a good-faith effort to contact every voting member via the most recent electronic contact information they have provided to the body, such as email, and public posting of notice shall include posting the required information on an official website or social media account maintained by the Party.

5. A member who is attempting to participate or vote but is unable to do so due to technological difficulties or a failure to be duly recognized may move to reconsider something previously adopted or make a point of order to that effect.
6. When the Chair reaches an agenda item at a duly noticed electronic meeting, the Chair shall:
 - a. Restate the motion;
 - b. Allow time for debate; and
 - c. State how the vote will be conducted and when balloting will close.
7. The Chair shall facilitate electronic debate on motions and seek to ensure that all members who wish to debate are recognized.
8. Debate on a motion shall only be ended if no members seek recognition, if a motion limiting the number of speakers has been adopted and those speakers have spoken, or after a vote to end discussion. Balloting shall not commence until after debate on a motion has ended.
9. Electronic votes shall be defined and conducted in the following manner:
 - a. Voting conducted by a visible division over video-call shall be allowed in instances where only voting members are allowed to participate, the proceedings of the meeting are recorded and preserved in the same manner required for ballots under these rules, and voting members without a video connection are allowed to demand a roll call method be used instead.
 - b. Voting conducted by roll call during an electronic meeting shall be open to participation of those voting members attending the electronic meeting.
 - c. Voting conducted by absentee ballot outside of a meeting (including, but not limited to, email ballots) shall be open to participation of all voting members of the body.
 - d. The manner of participating in absentee balloting shall be promulgated to all voting members, simultaneously, in the same manner as allowed for notice of electronic meetings.
10. A record of any electronic votes conducted by visible division, roll call, or absentee ballot shall be maintained and open to inspection by voting members until after the next regular (non-electronic) meeting of the body, or as otherwise required under the body's bylaws, whichever timeframe is longer:
 - a. Electronic votes shall be conducted and recorded in a manner that ensures an inspectable record of which members voted and how each member voted.

- b. Electronic votes that are not preserved in this manner shall not be considered valid and shall have no effect.
 - c. Secret electronic votes shall not be allowed under any circumstances.
11. Minutes and other records of electronic meetings and votes shall be made available to voting members of that body upon reasonable request or as otherwise required under the bylaws, but the Secretary may redact any part of that record not required to be included in regular meeting minutes or not subject to inspection under these Emergency Rules of Order. The results of any absentee balloting shall be recorded in the minutes of the last meeting at which the motion was debated.
 12. All other rules, customs, and member protections contained within the body's bylaws, standing rules, and the most current edition of Roberts Rules of Order—including the Sample Rules for Electronic Meetings published by Roberts Rules of Order—that are not inconsistent with these Emergency Rules of Order shall continue to govern the body unless they would be impossible to reasonably uphold outside of a regular (non-electronic) meeting. All reasonable steps shall be taken to translate rules regarding governance of the body and the conduct of regular meetings to the operation of electronic meetings or electronic votes, and the voting members shall retain the right to appeal any rulings of the Chair in these or other regards.
 13. After federal, state, or local authorities declare an end to the Public Emergency that prevents in-person meeting, the Executive Board may vote to declare that these Emergency Rules of Order are no longer in effect.
